## **Walmart Rolling Back to Central Texas**

AUSTIN ([Austin American-Statesman](#)) – Walmart Stores Inc. is planning four new 150,000-sf supercenters in Central Texas.

The Kyle, Elgin and Manor stores will be the company's first in those cities. The Cedar Park supercenter would be that city's second.

Construction is set to begin next summer on the Elgin store, which will be at US 290 and Saratoga Farms Blvd. The store is slated to open a year later.

Groundbreaking on the Manor store, at US 290 and FM 973, will be in fall 2012. A fall 2013 opening is planned.

No construction dates have been set for the Kyle and Cedar Park stores.

The new stores would create a total of about 1,200 jobs for the area, according to company officials.
